## WHAT SIZE SHOE IS PERFECT FOR YOU?

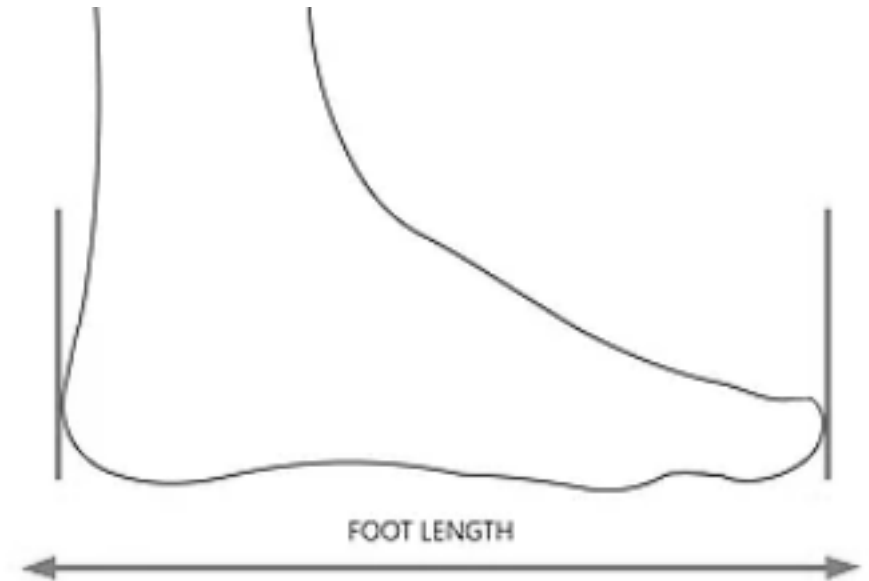

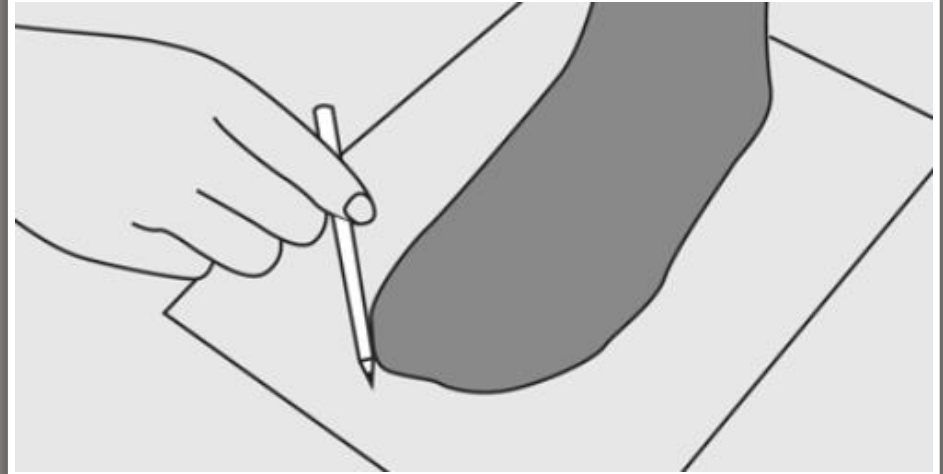

You do not need to find choosing the perfect size shoe a challenge;

Take a walk in our shoes, using these steps;

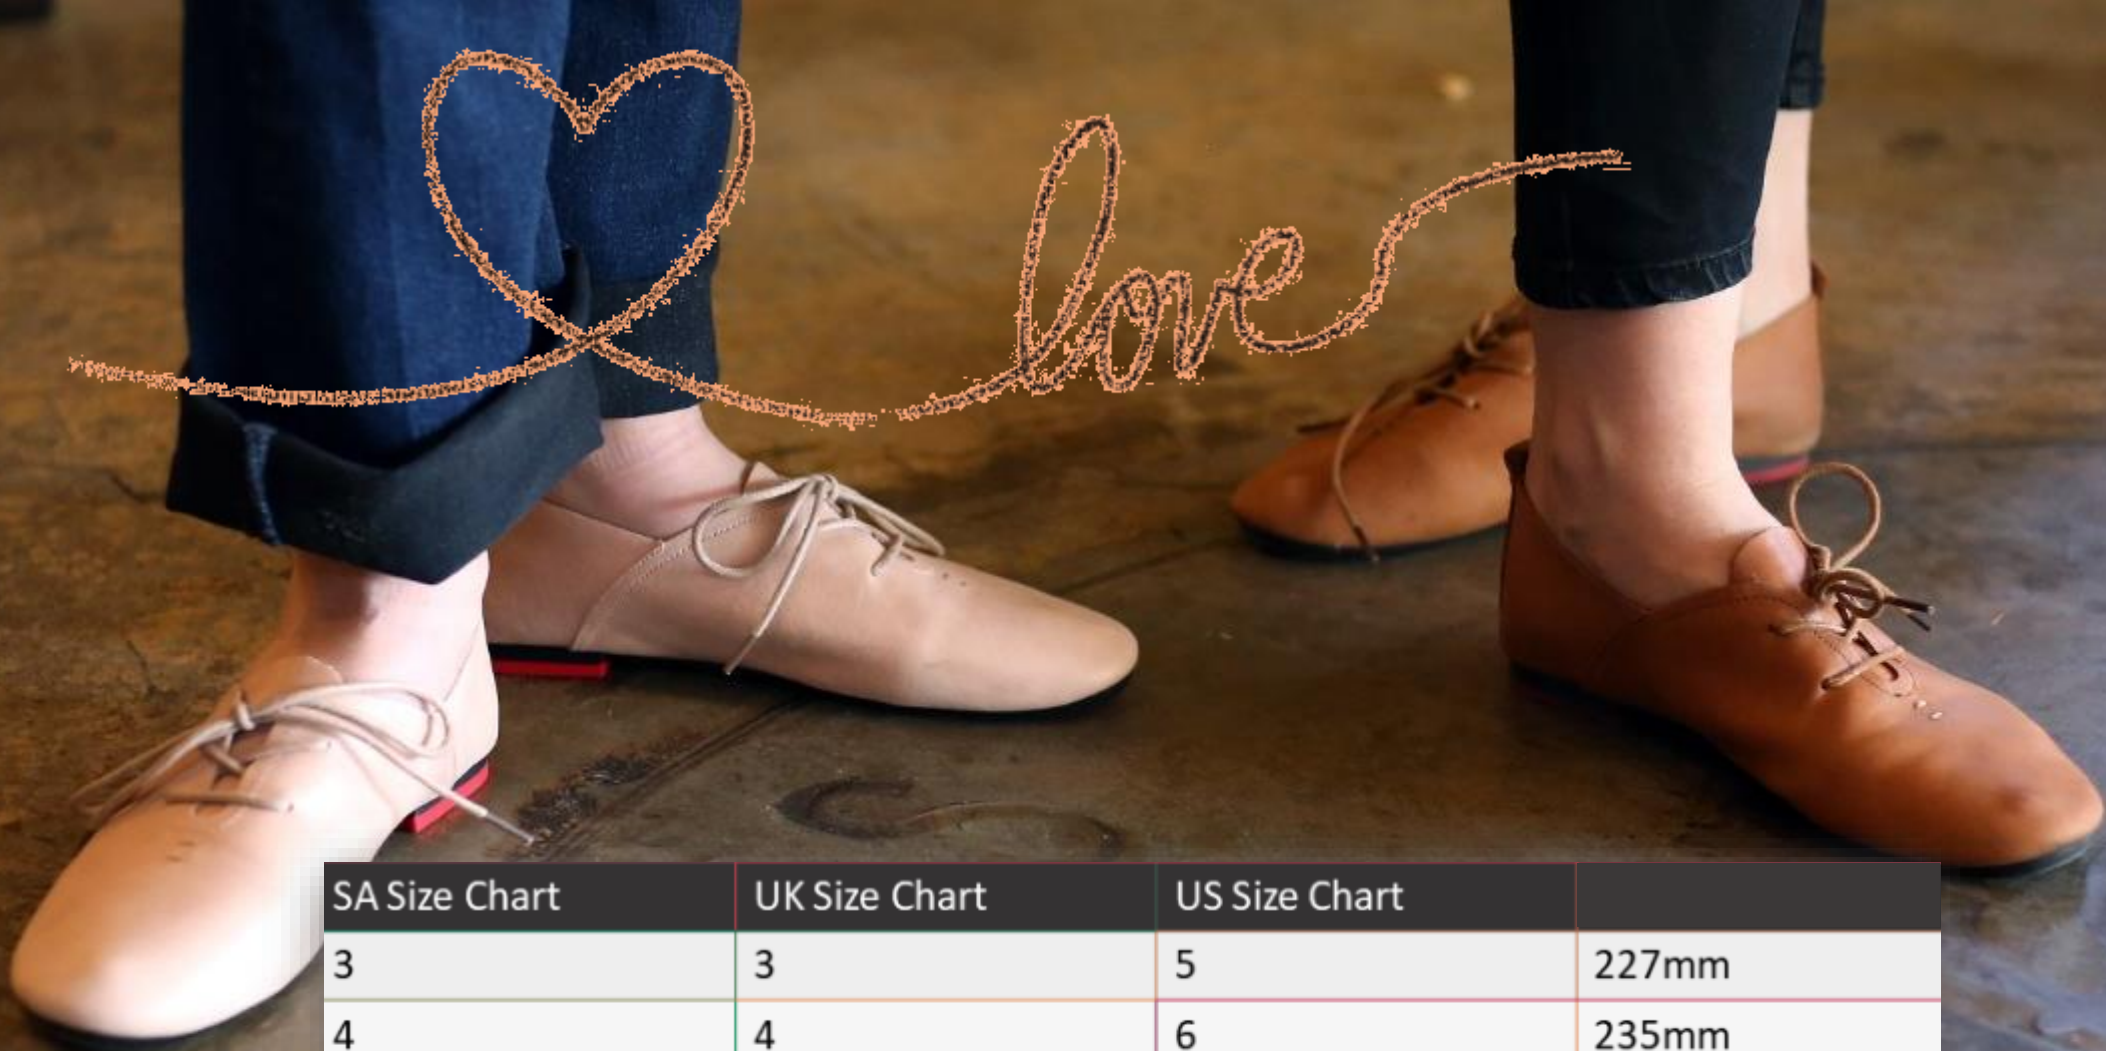

- Put one foot on a blank A4 sheet of paper (Sitting or Standing).
- Lean your leg slightly forward so that your knee is in line with your toes
- Draw an outline of your foot on the paper (Draw closely to your foot).
- Measure the length of your foot from the back of the heel to your longest toe
- Repeat with the other foot
- Choose the longest foot for your ideal measurement.
- Measure your foot against the foot chart.
